SIERRA MADRE NEWS— January 22, 1948.

Volume 42, NO. 18

Around the Square

During this cool weather and flu epidemic it is important that temperatures in buildings where the public assemblies should be kept at uniform heat. California Chamber of Commerce to the contrary, notwithstanding, it does get cold in Southern California. People are accustomed to heated offices and homes. The temperature of the Woman's Clubhouse for the Kiwanis dinner spoke for itself when the ladies kept their fur coats on and others were forced to leave.

Mark Dailey, well-known local public spirited citizen, has consented to act as chairman of the coming Fund Drive for the Red Cross.

It has been reported that the Duke and Duchess of Windsor placed an order for 18 settings of Suman's "Petalware." A truly royal compliment.

The Brock Market on North Baldwin has changed hands. Mr. Brock sold the business to Mr. and Mrs. Irving Pollock of 49 W. Montecito, formerly of Detroit, Mich., who took over Monday, Mr. and Mrs. Brock will take several months rest.

PTA Offers Outstanding Program

"Foundations of World Understanding" is the theme of an important program sponsored this evening by the Parent Teachers Association at the School Auditorium at 7:45 P. M. Dr. Stewart Cole and Dr. Robert Haas authorities of intercultural education will speak. The meeting is open to all interested.

SCOTTISH RITE WILL GIVE PLAY AT TEMPLE

The Drama and Music Guild of Pasadena Consistory, Ancient and Accepted Scottish Rite, will present a Masonic play, "Greater Love Hath No Man," before the local Maconic Lodge this week, Friday evening at the Temple. The play is in three acts, the cast composed of sixteen 32nd Degree Masons, and is for Master Masons only. Dinner will be served by members of the Order of Eastern Star at 6:30 p. m. and invitations have been issued to Lodges in the 93rd district.

CITY OFFICERS ATTEND WATER STUDY MEETING

Mayor Steinberger and Water Supt. Joe Swanson attended a meeting of the San Gabriel Valley Protective Assn. at Whittier. The subject of the discussion was "Pollution of Underground Water" with particular attention directed at manufacturing plants which are dumping acids and chemicals that do not purify by draining through the ground. The state is making a survey in preparation for new legislation on the question.

COPPS FUNERAL SATURDAY P. M.

Mrs. M. A. Copps, Sierra Madre's best known pioneer was found dead in her bed yesterday morning at her home, 73 Esperanza. The services will be held from the Grant Chapel Saturday afternoon at 2 o'clock.

Red Cross Elects 1948 Directors

INSPIRATIONAL TALK GIVEN BY MARY BROWNE

A well filled council chamber Monday evening was the reception received at the Annual Meeting of the S. M. Red Cross Chapter when committee reports showed a very successful termination of the year, with considerable activity in production and home service.

A report on the visit of the Mobile Unit of the Blood Bank was given, stating that Sierra Madre had donated the most pints of blood of any city visited during that month, even though competing with cities ten times its size. Reports on Junior Red Cross, Camp and Hospital, Water Safety, Campaign Fund, Disaster and Canteen were also given, showing excellent results in each program.

The financial report was given by the treasurer, C. W. Jones, showing a balance as of January 1, 1948, of \$5,326.76.

The report of the nominating committee was given and the eight new directors elected to the Board of Directors to serve for a term of three years were: C. W. Jones, R. C. Lewis, C. S. Straus, Mrs. J. E. Clougherty, Charles A. Skutt, Mrs. H. W. Wood, Mrs. Edward C. Young.

Following a very brief business meeting Mary K. Browne of Cleveland, Ohio, ex-tennis champion and sister of Mrs. Johnson Irish of East Sierra Madre Blvd., told of her reactions during the war and now of the peace. Miss Browne is a speaker of infinite sincerity. There was a refreshing inspiration in her story. She is one of the key organizers of "Humanity International," a newly founded organization of individuals to work for enduring peace.

Miss Browne's background in internationalism began with her travels as a tennis champion in the 1920's. Born a Californian, she entered her first tennis tournament at 12 and won laurels for over a decade as a singles (Continued on page 8)

Lion Stunts Tonight To Raise Dimes

The Lions Club at their meeting tonight will put on a number of stunts to raise money for the March of Dimes.

Everett Chapman, on the faculty of Muir college, will be the speaker of the evening. Prof. Chapman was in Egypt and Far East points in the early part of the war and later was a Director at the Santa Anita Japanese Center.

Harold Drury and President "Poppy" Welch will report on the recent convention at Fresno.

LEE SHIPPEY RESPONDS TO MANY REQUESTS FOR AUTOGRAPHING HIS MOST RECENT PUBLICATION

"Lee Shippey's work, as you might surmise will not have been completed when his most recent book 'It's an Old California Custom' goes on sale January 24th. This date perhaps synchronized with the centennial of gold discovery in California which happened at Sutter's Mill in the Grant, known as New Helvetia 100 years ago.

Mr. Shippey will be the honoree of many autograph parties starting with the Historical Society of Southern California given at the Los Angeles Ebell Club with a distinguished list of hosts and hostesses. The 27th will find Mr. Shippey before the Shakespeare Club in Pasadena; the 28th at Robinson's Store in Los Angeles; the 30th at the Broadway Downtown at noon and the Crenshaw at 7:30 in the evening; 31st Nash's in Pasadena 2 to 5; February 4th Mr. Shippey will speak at the president's luncheon of the Ebell Club in Los Angeles and the 5th he will be at Buffum Store

Tax Seminar Shows Great Interest in Problems at School Auditorium Meet

The Sierra Madre Property Owners Association held the first session in its Tax Seminar at the School Auditorium Thursday evening. President John Osgood introduced the two speakers and conducted the question period following. Wm. A. Pixley of Los Angeles gave an illuminating talk on tax problems. It was thought provoking. The second speaker, was the local superintendent of schools who presented an elaborate building program for the city school system, compiled from utility expectancy data and growth increase patterns.

Mr. Skutt told of the crowded school condition, anticipating the condition to grow worse, culminating with a need by 1958 of a school plant to accommodate 830 pupils. The ideal situation suggested for the city, he said, would be two units of six rooms each in opposite parts of the city, located on three-acre plots. The theorized plan would mean a school bonding of at least \$130,000.

The audience interest was very high and many questions were

asked from the floor. Tax payers asked if temporary buildings might be used; if an addition to the present school house could be made; if the 7th and 8th grades if sent to Pasadena wouldn't bring relief, inasmuch as the school was built for grades up to the 7th; if Hastings Ranch proposed junior high would not solve the problem; if the birth rate decreases as it did after the peak following World War I, would not the building be over done. Mr. Skutt was unable to answer many of the questions, giving excuses such as, "I haven't the material at hand," or "I couldn't tell you at this time," "I haven't made a study of that," etc.

Samuel McElfresh Becomes Head of Kiwanis for 1948

Sierra Madre Kiwanis came to its 21st birthday Tuesday evening when the new officers were installed at the Ladies' Night banquet. Sempel McElfresh of the City Schools donned the presidential robes and was given a hearty send-off and Robert Green, president the past year, moved up to a place of distinction among the past presidents. A very dignified silver plaque mounted on a desk block of solid oak was presented to him in recognition of his service to Kiwanis. Mr. Green remarked in acceptance, "It has been a great privilege to me to be associated with a group of men such as that which makes

ture candles graced the head table; the charter member table was in white with a centerpiece reading "1928". Dr. Larry Evans, master of ceremonies wove together an evening program of great interest.

The club presented their recent newcomers, Mr. and Mrs. William Mooney, with a lovely gift (understood to be a Mixmaster). Ernest Bashore of the Los An-

ROBERT GREEN

SAMUEL McELFRESH
1948 President

up the Sierra Madre Kiwanis Club. I have found that Kiwanians are continually working, individually and collectively for the betterment of our community.

The banquet room was very effective in arrangement of tables and flowers. A crown bank of pansies with a halo of minia-

geles Kiwanis and Past Gov. of the Cal-Nevada District gave the address of the evening, very inspirational. Of the highly enjoyable numbers of the program were the solos by James Townsend, blind tenor of Pasadena. He was very versatile and had perfect command of a well-trained voice and was accompanied by Gus Rihard, pianist and member of the local club.

SIERRA MADRE JOINS MARCH OF DIMES PARADE SUNDAY WITH ESCORTED FLOAT ON WILSHIRE BOULEVARD

There was quite a bustle around the Square Sunday morning when the March of Dimes parade participants left for the big demonstration on Wilshire Blvd.

Twenty members of the Marine Scouts dressed in blue uniforms and carrying red and white pom-poms, marched 4 1/2 miles in the March of Dimes parade on Wilshire Blvd., Sunday afternoon. This activity was sponsored by the Civic Club with Mrs. Gaylord Bettencourt in charge of transportation. Their leader, Mrs. Jane Morse, assistant, Mrs. Barbara Termatt, and the new assistant, Mrs. Margot Harris, who has taken a helpful interest in the organization, trained the girls for two previous Saturdays in preparation for the march. Platoon leader was Margot Woodworth, and others were: Beverly Stenden, Valerie Valencia, Marilyn Iffrig, Dolores Malen, Marilyn Miller, Lynn Wilcox, Jackie Thurston, Barbara Bark-

December Recreation Attracts

SAMUEL McELFRESH DIRECTOR, MAKES EXCELLENT REPORT

Each month as the report of the Recreation Director comes to note the good use which the Youth Hut is being put to must be gratifying to those responsible for it. The director, Sam McElfresh, says, "The Sierra Madre Youth Hut continues to serve as a meeting place for character building and recreation groups." The organized groups are the Marine Scouts, Explorer Scouts, two groups of Campfire Girls and Sierra Madre's new model airplane organization, The Tree Trimmers.

Mariners numbered at the Hut during December were 64 and nine adults; Explorers 41 and 8 adults; Ta Wan Ka Campfire girls (used the Hut as workshop to make icicles for decorating P. E. station) numbered 45 and 6 adults; Mrs. Young's Campfire group numbered 18 and 4 adults; Tree Trimmers 46 boys and 6 adults; the total attendance summing up to 217 young people and 33 adults.

Going over to the City Park, Park night was well attended in spite of family Christmas gatherings and New Year celebrations. A total of 435 boys and girls participated in the recreational activities there.

The Friday night Teen-Age Dances were attended by a total of 255 during December. The director indicates that he had splendid support in the youth program. "As usual," he said, "we have depended on Mrs. J. Stadden Miller, Recreation Chairman, and Mrs. Harold Drury, to assist with the collection of monthly membership fee. Others who assisted by chaperoning and refreshments were Mrs. Gilder-sleeve of Woman's Club; St. Rita's Mother's Society, Mrs. Morningstar, Mrs. Lugo; American Legion and Auxiliary, Mr. and Mrs. Walter Nollac and Comdr. Humphries; Conserso, Mesdames Francis Dane, R. E. Carlson; Mariners, Mr. and Mrs. Chas Morse.

MTN. LION TRACKS FOUND IN SANTA ANITA CANYON

Frank Begue, Forest Service foreman for a work project in the Big Santa Anita Canyon, reported seeing tracks of mountain lions in that area. It is believed that they are being driven down in search of water, as this record dry weather continues. Deer, also driven by thirst, have been preying on orchards and gardens of foothill residents.

S. M. School Bus Will Start February 2nd

Kindergarten and First Graders to be Benefited

Sierra Madre has a school bus. Final sanction was made last week at the meeting of the Board of Education and the bus, a Superior School Coach, of 50-pupil capacity on a Chevrolet chassis, was delivered Saturday. The bus meets the requirements of the State Department of Education and has a permit to operate, from the State Highway Patrol. It will have a regular schedule starting February 2 for first grade pupils and kindergarten.

Joseph Moltane, sixth grade teacher, will be the driver. This service is for pupils living more than 3/4 of a mile from the school house. On rainy days it will pick up 2nd and 3rd grade pupils on a first run and return for young ones on the 2nd.

The bus service is one of the most important events in school history. The Board of Education has remedied a most dangerous situation. In the October 30th issue of the News, the PTA and American Legion urged the School Bus purchase. The Legion brought a bus to Sierra Madre and invited E. Waldo Ward, President of the Board, and school authorities to ride in it with special scrutiny of danger in the Canyon areas. The Legion, entitled to much credit, has made a serious study of the problem as shown from a quotation of a paragraph in their resolution to the School Board:

"Sierra Madre Post 237, The American Legion, recognizes that because of traffic hazards, frequent inclement weather conditions, loitering and other dangers, transportation is seriously needed to convey young children back and forth to school, particularly those who reside at a distance and in a canyon area."

Parents were notified this week of a tentative schedule and stops of the bus as follows:

1. Villa and Barhite.
2. Michillinda and Ramona.
3. Sierra Madre Blvd. and Rancho Road.
4. Grandview and Santa Anita.
5. Grandview and Camillo.
6. School (to unload).
7. Sturtevant and Alta Vista.
8. Alta Vista and Vista Circle No. 1.
9. Alta Vista and Vista Circle No. 2.
10. Alta Vista and Woodland Dr.
11. Canyon Pool.
12. Woodland Drive and Sturtevant.
13. Churchill and Canyon Crest.
14. School (to unload).

She is Miss Mary Louise Grevillot, daughter of Mr. and Mrs. Prosper J. Grevillot, 168 E. Sierra Madre Blvd.

Stationed in Kansas City, Miss Grevillot was graduated from the McConnell School for Air Hostesses before beginning her career with TWA.

She is assigned to flights serving cities in the United States from San Francisco and Los Angeles to New York. After gaining experience in this country, she will be eligible for assignment on flights taking her to Paris, Rome, Geneva, Madrid, Cairo, Bombay and other stops on TWA's international routes.

Miss Grevillot with five other members of her graduating class was chosen to pose for the picture used in Life Magazine recently showing the training and technique of the airline hostess.

FEW DAYS LEFT TO OBTAIN NEW LICENSE TABS

Less than two weeks remain for local residents to obtain their 1948 silver and red license automobile tabs without penalty.

Double the \$6.00 registration fee and 50 cents more on vehicle license fees are assessed after that date. Weight fees on commercial vehicles carry a 100 per cent penalty.

News Member Of Large Legal Group

The Los Angeles Newspaper Service Bureau, Inc., a mutual association of 101 community and suburban newspapers in Los Angeles County, of which The Sierra Madre News is a member, this week celebrated completion of its 14th year.

H. A. Lawson, publisher of the Eagle Rock Sentinel, who was re-elected President of the association for another two-year term, reported gross total revenues of \$333,000, the largest volume of legal advertising in the history of the organization.

What Became Of a Dog, Cat And Earring

The classified section of a newspaper is a mirror of human wants, desires, emotions and decisions. The reaction in reading classified is a mixture of "Oh, yes, why don't I sell mine"; "where do they expect to find such an unheard of article"; "that's too bad he lost his new jacket" etc. The story of three notices which appeared in the News recently may be of human interest.

LOST AND FOUND

"KARL" 2 years, male doberman pinscher is lost or stolen. Please help us find him. Reward. Call Custer 5-4044.

LOST—Rhinstone ear ring set with pearl. Of personal value to owner only. If found phone Connie at telephone office.

\$25 REWARD

LOST—SIAMESE CAT. Altered male 5 years old. Name, Tilt-Tilt. Disappeared between 4:30 and 5:30 Wednesday night from in front of 247 North Mountain Trail. \$25 reward for return of cat or information leading to whereabouts. No questions asked. CU. 5-4027. Camilla Stack.

The first, "Karl," is a beautiful Doberman pinscher belonging to Mr. and Mrs. Howard Miller. They bought him soon after Mr. Miller returned from the war. "Please help us find him" evidently made the appeal as the Millers worried and searched for more than a week when one day a friend called and told them the dog was tied up in a yard in Rosemead. Karl was soon recovered in time to save his life. He was sick and emaciated from grief—the neighbors said he had not eaten since tied up.

The Rhinstone earring was found by a lady and returned to Connie Dawson. The lady remarked as she handed the keepsake over, "I waited to see if there would be an adv. in the paper."

The Siamese cat, well that was fast work. It was returned and let loose in Mrs. Stack's yard the next morning. The person never even waited to claim the reward.

KNOW YOUR NEIGHBOR

There are many nature lovers in this community who enjoy hiking these mountains, but there are few whose love for them extends to a one-man fight for conservation as does that of Mrs. Wandalee Thompson.

She has lived in Sierra Madre for over seven years with her husband, Kenneth Thompson, a son, Muir, ten years, and a daughter, Phronsie, six years.

Last May she volunteered her services to the Forestry Service in order to help out during the fire season, for her lifelong interest has been in watershed protection, and she is familiar with these mountains and their history. Her request to be placed in a lookout tower on one of the peaks was refused as those jobs were reserved for disabled veterans. In place of that, however, she was given posters and literature stressing the need for fire and accident prevention in the mountains, which she distributed throughout this and other valley towns, contacting as many people as was possible.

During the summer months of July through November, she was stationed on the Big Santa Anita Trail under the auspices of the Forest Service, and wore a badge and semi-uniform. Mrs. Thompson tried to stop every hiker and present them with a fire-prevention button and a talk on the dangers of smoking, fire, and carelessness on the trails. By the end of her vigil she had contacted 3560 people, and on one day alone, stopped 500. Naturally she met with rudeness of all types, but managed to leave everyone in a friendly spirit. She believes that people should be educated to the mountains, and should not enter them when ignorant of the dangers. She exhibited endless patience in talking to the groups of hikers. Besides this work, she acted as a nature guide, as she has hiked

New Techniques
Reveal New Communication
Horizons

THE telephone industry is passing through the
most expansive period in its history and is devel-
oping along two lines—enlarging its present systems
to meet the public demand; perfecting new techniques
to push forward the bounding lines of the science of
communication.

Since the invention of the telephone more than 17,000
patents have been allowed and, because the needs of
war stimulate the abilities of men, the period between
1940 and the present day sired many new develop-
ments in the techniques of telephony.

Some of these new devices and methods are already
in operation, some still in the incubation stage. You
are familiar with a few of them—mobile telephony,
which makes it possible to talk with passengers of
moving vehicles, on the ground and sea and in the
air; the Carrier System, which allows the addition of
new channels on existing wires; the Coaxial Cable,
the big tube filled with copper wires over which 500
people can talk at the same time; toll dialing, which
will permit your operator to dial cities in all sections
of the country directly.

As with all operating companies throughout the
nation, your company is expanding as fast as circum-
stances allow—doing its best to bring you better and
more telephone service as rapidly as possible.

CONSTRUCTION DOLLARS...
In 1947 we spent over a million
dollars for additions to our plant
to meet the public demand for
more and better service. In 1948
we will spend another million.

This money does not come from
telephone bills but from invest-
ments who require a fair return.
This means that telephone rates
must be sufficient to provide
earnings that will attract these
new construction dollars.

California Water & Telephone Company

**WILL BE MISSED
IN LIMA AVENUE
NEIGHBORHOOD**

The legion of friends in Sierra Madre will long remember the little man with the wise and happy twinkle in his eye, as Christian Sandahl, who passed away January 13.

He was born August 3, 1863 in Jedsted, Denmark, and was confirmed in the Lutheran Church in 1878. After serving in the Danish Navy, he came to America with his wife, Marie, in 1880 and located in Seattle, Washington, and became naturalized citizens of the United States.

In 1919 he and his wife moved to Hollywood and were neighbors of comedian Ben Turpin, who remained a friend until his death. Mr. Sandahl built his home, 201 North Lima, and kept house even after his wife's passing. His cheerful, kindly disposition earned the name "Sunny Boy" among his friends and neighbors.

He is survived by three nieces, Mrs. Laura Hansen of Renton, Washington, Mrs. James Bennett of Los Angeles and Mrs. Laura French, of San Bernardino. Services were conducted Saturday at Grant Chapel. Committal was at Lake View Cemetery, Seattle, Washington.

**OLD STATION SUBJECT
FOR SPOTS IN SCRIPT**

The Old Sierra Madre Station is becoming rather a popular subject. The January copy of Script magazine has used a spot drawing on the first page by Tommy Ann Miller. It's a quaint little sketch with the people and baggage waiting for the approaching car. Another spot in the same magazine from Mrs. Miller's pen was used in the movie section, funny little kids standing on their heads and swooping down a slide.

**LECTURE SERIES
FREE AT PCC ON
POP' ASTRONOMY**

Wonders of earth, sky and sea will be portrayed in a graphic fashion for the general public in a new lecture series to be offered by the Extended Day Division of Pasadena City College during the spring semester of 1948. The group of 19 lectures, titled "Exploring in Science," will be presented by Fergus J. Wood, physics instructor at Pasadena City College, already known in this area for his success in bringing the splendors of the heavens "down to earth" in lectures on Popular Astronomy given during the spring semester of 1947. The last six lectures of the new series, called "Exploring the Starry Skies," are planned as a continuation of the course which last year attracted an enrollment of 135.

Each of the 19 lectures will be illustrated by lantern slides and motion picture films, and the series on "Exploring the Starry Skies" will be accompanied by observation of the heavens through the 20-inch reflecting telescope of the City College Observatory.

The lecture series is a non-technical, non-credit course open without charge to the public. All interested are invited. The lectures are to be held each Wednesday night, from 7:00-9:30 p. m., in Room 202, in the Physical Science Building, with the first lecture scheduled for February 4.

**MANY SOCIAL
EVENTS HONOR
BRIDE-ELECT**

Sylvia P. Thayer, daughter of Mr. and Mrs. Donald Thayer, 197 West Montecito, who will become the bride of Daniel T. Lumpkin of Monrovia, at the Congregational Church, January 24, has been honored with several pre-nuptial showers lately.

Fifteen guests attended a personal shower in the home of Marilyn Lynch of Altadena, January 11. Joan Clougherty, 267 E. Montecito, was hostess at a miscellaneous shower Sunday, and Mrs. Daniel Lumpkin, mother of the groom-to-be, gave a linen shower in her home Monday evening.

**Registration
For Election
Closes April 6**

Registration for the city elections, to be held April 6, must be made before midnight of February 26, or 40 days prior to date of election. Persons qualified to vote in the forthcoming important city elections may register with Lawrence Brain, Marie Schiltz or Dorothy Murphy, at the City Hall any time before the deadline.

YOU MAY REGISTER IF:

1. You have not done so before in Los Angeles County.
2. If you have changed your name or address.
3. You must be 21 years of age.
4. You must have resided in the State of California for the past year.
5. You must have resided in Los Angeles County for the last 90 days.
6. You must have been a citizen of the United States for the last 90 days.

Persons who meet the latter set of qualifications before the date of the coming election, but after the close of registration (midnight of the 40th day before the election) may be registered only during the last 10 days of the registration period. If you registered for the city elections last year and failed to vote, it is NOT necessary that you re-register this year. Presidential elections will be conducted November 2, and registration for this will end September 23.

**SOCIETY ATTENDS
CHARITY WEEK AT
SANTA ANITA PARK**

Social fanfare will accompany Santa Anita Park's annual Charity Week which gets underway on Tuesday culminating in the San Felipe Stakes on Saturday. Special Charity Days, held each year since racing started at the Arcadia track, raise funds for accredited charitable and welfare associations.

Charity Week is conducted under the auspices of the Santa Anita Foundation, a non-profit organization.

The San Felipe is named for the Valle de San Felipe, one of the famous old Spanish land grants, where the Pony Express and Overland Stage entered the San Jacinto Mountains via San Felipe Creek on the first pioneer trail into California.

**HADASSAH GROUP
ORGANIZED HERE
MEETING TODAY**

A sewing and knitting group sponsored by the Pasadena-San Gabriel Valley Chapter of Hadassah was organized Wednesday, January 14 at the home of Mrs. Ralph Cohen, 177 N. Sunnyside.

The group was addressed by Mrs. Theodore N. Alpert of San Gabriel, president of the chapter, who explained the need for clothing and linens in the clinics, hospitals and other institutions supported by Hadassah. Mrs. Friedman demonstrated samples of garments and work was immediately begun on various articles. The next meeting will be held on Thursday, January 22 at 1 P. M. at the home of Mrs. Esther Goldberg, 219 N. Sunnyside.

**UNIQUE PROGRAM
EMPLOYED BY
EASTERN STAR**

An unusual program was presented last Monday night at Eastern Star. The method of instituting a chapter of the order was presented in comparison with the one used in 1911 when Sierra Madre Chapter was instituted. The names of the early members recalled a number of pioneers of the city: Biederman, Walker, Steinberger, Hill, Jackson, were among those remembered. Nancy Ann Bush who united with the Sierra Madre Chapter at the 5th meeting, was here from Alhambra. The gifts of gavel, baton, altar flag and jewels were credited to the givers.

Frances Brain was in charge of the banquet hall for the enjoyable social hour when a vocal solo "Star of the East" came from the lovely voice of Frances Richards.

Job printing properly and promptly done at the Sierra Madre NEWS.

**TREE TRIMMERS
SET FOR FEBRUARY 19
GLIDER CONTEST**

Plans for the forthcoming glider contest to be held February 15, are rapidly forming now that the Kiwanis is sponsoring the "Tree Trimmers." They will have as one of the judges Bob Holland a national air line glider champ and he will be assisted by Mel Morgeson. Sam McElfresh, new president of the Kiwanis will award the prizes. The judges-to-be will meet with the members to help them and give advance tips, when they meet at the Santa Anita Race Track Parking Lot, Sunday.

Members are flying every afternoon in the field opposite Bob's Shop, 234 East Montecito. The gliders will be in the 18-inch wingspan class, and each contestant is allowed nine trials and the average of his three best flights will be his qualifying time. Both junior and senior divisions will compete with handicaps for age and experience. The models and prizes are being displayed in Rasmussen's window. There will be another meeting at the Youth Hut, Friday evening, and refreshments will be served.

Going somewhere? Call the NEWS with the details 3324.

**THE COLTS BASKING
IN PALM SPRINGS**
Mr. and Mrs. Carl Colt left Saturday for Palm Springs for a week of rest and relaxation. They are returning next Sunday.

THAN IN 1939...**

...and one of them is GAS!

You may find it hard to believe you pay less these days for anything! The latest U. S. Labor Statistics Index (161.3) shows your costs of living are two-thirds higher today than in 1939. But one important item, happily, has not gone up—the gas you use to cook your family meals!

The price of gas has stayed down—lower, even, than it was back in '39. And by comparison, the higher other living costs have gone, the greater "bargain" gas has become. So far, the line has held. It has taken a lot of "know how" and kept us on our toes. And we don't mean to claim all the credit, either.

There have been other factors. An abnormally increased use of gas per household is one. Southern California's growth is another. But where these conditions have helped us by adding to our revenue, they have also added heavily to our operating costs. They have helped us, for the time being, to offset steadily climbing expenses—for payrolls, taxes, materials, and even the cost of gas in the field. But the cost of extending our service to take care of new customers is running way up. (It now costs from 2½ to 3 times as much as it did in '39.)

As it probably is in your own household—keeping on the right side of the ledger has been a problem. Among our responsibilities has been the provision of an additional supply of low-cost gas for this enormously growing area. The nearest practical source was some 1,200 miles away. To make it available, we participated in one of the biggest natural gas projects on record. The mammoth \$70,000,000 Texas-California pipeline was constructed, and on November 13 was put in operation.

The reasons why practically everyone in Southern California uses gas are many. Not the least, is the fact that you can afford to use it liberally for all four household purposes—cooking, water heating, house heating and refrigeration.

MARIA A. WEISS FUNERAL RITES AT GRANT CHAPEL

Mrs. Maria Augusta Weiss, 28 North Baldwin, passed away Thursday, January 15, at St. Luke Hospital after a year of illness. She was born in East Prussia, married her late husband, Friedrich Weiss in Germany, and came to Sierra Madre ten years ago.

She is survived by a son, Fred Weiss, and two daughters, Emma Weiss and Mrs. William Annas of this city, five grandchildren and two great-grandchildren.

Services were at Grant Chapel Monday afternoon, with Rev. Rudolf Zurbuchen, of the Emmanuel Methodist Church of Pasadena, of which Mrs. Weiss was a member, officiating. Interment was in the Sierra Madre Cemetery.

MRS. TARR HOSTESS TO FELLOWSHIP LAST THURSDAY

Mrs. N. W. Tarr was hostess for the Dickens Fellowship meeting Thursday. She entertained 14 members and five gentlemen guests with luncheon at La-Bu-Tau. The table decorations, candles wreathed in acacia, were skillfully done by Mr. Butah. The group later adjourned to Mrs. Tarr's home, 274 West Montecito, where Mrs. Martha Pritchard and Mrs. W. S. Hull continued the reading of "Nicholas Nickleby."

The next meeting of the Fellowship will be with Mrs. W. S. Hull at 542 W. Montecito, January 29th with Mrs. Ralph Jones and Mrs. Frederick Whitney reading.

ALA ACTIVITIES

Guest member at Thursday night's meeting held at the home of Frances Brain was Mrs. J. Bigelow of Syracuse, New York who is wintering in Sierra Madre. February promises to be a busy month with our Unit. Monday evening, Feb. 16th, we will be hostess to all the Units of the Eighteenth District at the regular monthly meeting to be held at the Sierra Madre school auditorium. Ora Olsen is chairman for the occasion. On Feb. 26th, the Unit will celebrate their 23rd birthday anniversary at the home of Leila Embree. Fast-Présidents and Charter members will be honor guests and every member is asked to bring her baby picture for a guessing contest and evening of fun. Tonight the Unit will meet at the home of Maybelle Barker, 233 Ramona Avenue, at 8 o'clock.

Two car loads of American Legion Auxiliary members attended the District meeting in South Pasadena, Monday night for initiation of new members. Estella Hanell, Department of California president was the guest of honor.

Fr. Leo Scheibel of St. Rita Church, left last week for a Pastors Meeting in Cincinnati, Ohio, and will be gone for some time.

POLICE BLOTTER

Playing football in the streets on Sunday was not altogether according to Hoyle. A call came into the station with objections. And justifiably so. . . A young man enjoying his "Hot Rod" jalopy in Burbank is arrested there. The "rod" got too hot and the boy in trouble. . . "I'm going to get her," was a threat a local man made over the phone, as he spoke of his wife, who had left him. (If my wife ever threatens me like that, you can bet your sweet dollar, I'm hunting other grounds.) . . . "Cars racing!" More boys are invited to hear the Judge. . . Backing into a garage door that was not his own, got a fellow in bad with the owner of the door. He failed to cover up his tracks and failed to report the incident to anyone. When caught up with, he agreed to recompense and straighten matters out, even the door.

"Winkle" Winklepleck was was brot to the station by a man who tho the boy was lost. Winkle is five. Because he had left his sweater "uptown," he was returning to town to pick it up. . . There are goats "in them thar hills" now. Because Bill Estes failed to realize the intelligence of his goats after moving them into the hills, they escaped thru a fence that Bill imagined they would not figure about. They planned and got out to roam the hills. It was alarming to the folks there, some of whom had never seen goats in the brush before. Knowing Bill, the ruminating horned quadrupeds with long hair, came running at his call. They were soon corralled. . . "Lost booklet." Name of book is "Sanders." . . Once more we hear about the strange goats in the hills. . . Burning rubbish out of hours. . . Dead cat in the gutter! Who pulled her out? Our little street department. . . Scotty Bouvier left school before the arrival of his mamma. He arrived safely, but mamma didn't like the idea.

When one boy hit another boy in the middle of the back with a "Small pebble," he in return was hit directly in the eye and had his glasses broken. A very dangerous cut on his left eyelid requiring two stitches by the doctor. Stone throwing is a dangerous game to play and

parents best use some discipline about it. . . Dog killed along Brookside Lane as it chased a car and fell under the wheels. This is a practice that some cogs have, that is dangerous in more ways than one. One is that the dog will eventually get killed. Another is that the drivers of cars are distracted from their driving and another is that the dog should not be in the streets anyway. . . Boys are reported lighting matches in the Canyon area. Boys who are old enough and have heard enough about the danger. Severe penalties will be imposed on offenders of this rule. Boys playing at the City Park, throw oranges and hit houses and windows. If this practice is continued, there may be another method of entertaining the youth. There is absolutely no excuse for our youth to do such acts as to throw oranges at people and houses. They know better and are taught better.

Loud motorcycle! (Was there ever a quiet one?) . . . Dog bite! . . . Lost extension cord! . . . Woman informed the cops that she and spouse have separated. (Through) . . . "Odorous fumes" throughout the house" proved to be a refrigerator leak. Swanson and Heasley there in double

time. . . Man trying to open mail boxes. . . Found keys. . . Stolen scooter. . . Dog trouble. Dogs across the street prefer the neighbor's yard to their own. No like, say the neighbors. . . A report of smoking incinerator at odd hours was found to be the heating pot of a roofer. . . A cat that appeared to be dying was only suffering the effects of having been handled by a boy who had turpentine on his hands. The boy pled innocence. So what? . . . Lost purse. . . A prowler. . . A "415". Man disturbing the peace. He is brought to the hoosegow. . . Motorcycle afire at Andy's Service Station. . . "Tampering!" Parts taken from a parked car in the wee hours. Why not check up on the kids and find out why they are out so late. . . When Art Udell investigated to find out why an auto horn was blowing so often and so regularly he found a dog that had been trained to do this, was enjoying the benefits of his schooling. . . Barking dog! . . . Lost tire chain. . . Prowler. . . Dogs fighting. . . An Azusa warrant for a local man. . . Bad checks prevalent. Be careful! Missing watch. . . Unappreciative youths disturb meeting of girls at Youth Hut. . . Lots and lots of dogs along Lima street.

LETTERS TO EDITOR

Las Vegas, Nevada
Jan. 17, 1948.

Dear "My Friends":

Well, here we are in the land where lots of money goes from one to another—quick. But as the philosopher said: Diamonds may be a wonderful investment, but it is not large diamonds or fine cars that bring happiness. Happiness comes from within. Some one told me that the world was made to see and enjoy. So if we do have to come to Las Vegas and St. George, Utah, on business—is there any harm in enjoying the fragrance of the desert, the sunsets, the quiet and stimulating effect of its magnitude—as we glide along looking for a hamburger stand?

Besides, a few more thousand miles of sand will make the shaded streets of our own little mountain town of Sierra Madre very, very inviting.

Your obedient servants,
David, Thelma and Byron
Hopper.

The practice of veterinary medicine and surgery originated in France as a means of saving horses injured in war.

CONGREGATIONAL CHURCH NAMES
NEW OFFICERS FOR COMING YEAR

Cook Memorial Altar Dedicated
Campbell Chapel

Sunday services at the Congregational Church included the dedication of a memorial altar erected in honor of Mrs. Belle W. Cook, a charter member of this church, presented by her daughter, Gertrude Cook, and placed in Campbell Chapel.

It is of light mahogany with the rosettes, pilasters and center panel, hand-carved, and the curtain is of green fabric with a basket-weave pattern in gold thread. Herb Kelly designed, carved and constructed the altar.

Church officers for 1948 were announced: Moderator, George E. Morgridge; Board of Deacons for three years, Loren Jenkins and Kenneth Carlson; Board of

Deaconesses for two years, Mesdames Clay Reavis, Herbert Seifert, John Spoelstra, and Mrs. Elizabeth Turner; board of directors for two years, Harry A. Lange, John Spoelstra, Mrs. Florence Wilhelm, and Harold Roberts; clerk, Mrs. C. L. Twycross; treasurer R. R. Hartman; financial secretary, Frederick L. Whitney; auditor, Clarence Sandage; superintendent of church schools, Merritt Thompson; committees (chairmen to be elected by the committees) religious education, Lewis George, Mrs. Kenneth Carlson, Elsie Gibson, Mrs. Loren Jenkins, Mrs. Samuel Kirk, Fred Felberg, Lewis McClelland, and Mrs. C. L. Twycross; music Mrs. B. J. Hinkley, Mrs. Harry Morley and Herbert Seifert.

FIRE
FLAMES

A visit by children from the school was encouraging. Two classes of boys and girls were brought to the fire station by Sam McElfresh, a teacher, (and who is the 1948 Kiwanis President). Fire Chief Jim Heasley was asked questions as to fire fighting operations. Some of the questions were of real value. The children wanted to know what would happen if more than one fire occurred at the same time and what would we do if all of our equipment was in use and another fire call came in. We shudder at the thought of such an occurrence, but it is possible. It was explained to the children that we have a mutual agreement with neighboring cities to aid each other in case of a catastrophe. Of course we can also have the possibility of other towns burning while our's burns. Horrible thoughts! We can at least think about such terrible happenings and when we do, we certainly cannot forget the danger of fire. It will not pay us to think that such things cannot happen. Just let a house fire get a good start. Let a terrific wind

NATIONAL FIRE
LOSSES REACH
A NEW HIGH

"Estimated U. S. fire losses totaled \$624,274,000 for the first 11 months of 1947, setting a new all-time annual fire loss record, and exceeding the \$600,000,000 mark for the first time in U. S. history, announced the National Board of Fire Underwriters. The record 11-month total was boosted by \$51,346,000 November fire losses, an increase of 13 per cent over November of 1946."

Undoubtedly in view of the current high cost of building the amount of insurance in force on your property is inadequate. Have you gone over your policies to see that you are fully protected on the new basis of values?

Your property is probably worth double what it was a few years ago. Has your insurance portfolio increased proportionately?

We would be pleased to go over your policies with you and advise you in regard to your needs for insurance coverage against fire losses.

Call the T. W. Neale office for an appointment or visit our office and let us advise you.

Adv.

develop. Then suppose something should happen to the fire equipment and a short delay develop. House number two is affire reaching into the third one. The blaze is high and long. The wind becomes stronger and more fierce. Water forced into a fire as this appears like nothing. The result of such a tragic disaster cannot fully be imagined unless one has actually seen it. Fate guides us it seems. Let's hope that our luck continues to be good and that Sierra Madre folk will continue to be fire conscious as they have been. The men of the fire department appreciate the fine co-operation of those who help in our constant drive for FIRE PREVENTION. PLEASE BE CAREFUL!

This evening, a group of the fire fighters will attend the monthly meeting of the San Gabriel Valley Fire-Fighters Association at Covina. This little city is very attractive to fire fighters and a large crowd will be there. It will be the installation night of the new officers. (Jim Heasley will be the new Treasurer). It is expected that two or possibly three carloads of Sierra Madrans will attend. Covina is popular for their fine entertainment. We can expect to hear reports of the trip in next week's issue of the Sierra Madre News. A certain few, whose names are in the limelight quite often, will without doubt get into some sort of trouble. We can look for a report of one of the other car getting lost somewhere. It is somewhat of a problem as to why Sierra Madre cars must take the longest way to and from meetings. (It's silly, but it's fun.)

Much depends on the local telephone system when it comes to turning in a fire alarm. We are without alarm boxes. When a fire is discovered, be CERTAIN that a call has been sent in for the fire department. If you are unacquainted with the region and do not know where a telephone is to be found, do not hesitate to alarm the neighborhood, somehow. The best bet is to get it to the fire station as soon as possible. Even if you have to yell "FIRE! FIRE! FIRE!"

It is most important that the fire department be notified as soon as possible. Minutes are valuable and fire spreads rapidly. Small fires can be extinguished with a little water if applied at the right time and place. First Aid fire fighting is of great value. Water, smothering, or removing, are great first aid measures. But be SURE the fire

The sense of smell is probably responsible for the original idea of smoking. This sense was much keener in primitive man, and along with the pleasure he derived from aroma, he probably also experienced a sense of mystery at the sight of the smoke rising up into the air.

Blue eyes and black eyes contain exactly the same coloring pigment, known as melanin. The difference in color is the result of the way in which light is reflected from the surfaces of the fibers which make up the iris. Black eyes also have more melanin than blue eyes.

Been somewhere? Call the NEWS with the news 3324.

department has been called or will be called. It is not a disgrace to have a fire equipment return to the station without having had to remove hose and such. 'Tis far the best, and the safest.

When Mercer Duff learned that Jim Heasley delivered the prize to the winner of the Party Door Prize, he was just a little upset. Not so much because he was the salesman who sold the ticket, but because he found out that Mr. Morrison, of 501 East Montecito, treated Jim pretty fancy for bringing him a nice, big, juicy ham. Duff declares that there's a day of reckoning soon.

We are still harping about the great year of low fire loss. Let's have this one the same or better. If we use all the precaution that we talk about, we will surely keep the FIRES OUT.

BALLING
BABY TALK

By MAXINE BALLING
IF YOU KNOW A LITTLE GIRL who'd squeal with delight over a real cute present for Valentine's Day next month, here's a suggestion from the Balling Baby Shop: a "Queen of Hearts" Story Book Doll. Most little girls have several of these famous six-inch dolls sooner or later, and the "Queen of Hearts" is one of the cutest in the big family. She has a red-and-white outfit, with little red hearts, and she comes in a special Valentine gift box which has a red top with big cut-out heart through which she peeks. And only \$1.50.

WHY do some people call polo shirts "T shirts" and vice versa? Hmmmm? Very few kids play polo in them. And I know they have nothing to do with drinking tea. Well, whatever you call 'em... WE'VE GOT 'EM! First big spring shipment of the famous Knitster line just came in. For little squirts wearing sizes 1 to 3 there are white, red-and-white stripes and pastel stripes for 1.15 to 1.50. In sizes 2 to 8 there are VERY BRIGHT COLORS on white, for the same prices. Then for the bigger boys and girls who wear 8 to 14 we have the popular wide stripes, red-and-white, black-and-white or maroon and white, for 1.75.

WHOEVER INVENTED RED-AND-BLACK FLANNEL SHIRTS for kids to wear with blue jeans really started something. We do a whoopee business on them here at the Balling Baby Shop... have a hard time keeping enough in stock. We received some, in sizes 1 to 8, to sell for 2.25. So if your little cowboy insists on red-and-black flannel shirts... come a runnin'!

SOME NICE NEW WHITE SHIRTS just came in, too... beautiful quality white broadcloth, with those little wide chamacallit straps on the shoulders to keep suspenders from falling down. Sizes are 6 mo. to 3 years. Price 2.25.

BABY SHOWERS are going on everywhere... indicating the population increases for these parts next spring. If you want a really super gift for a shower, here's something which has been very scarce for a long time... Hanson spring scales, for baby-weighing. 7.95.

HAVEN'T SAID ANYTHING ABOUT SOCKS lately. Well, we have those nice Trimfit Sox, in lovely new spring colors. Some turn-down and some elastic cuffs. 39¢ and 49¢. At the BALLING BABY SHOP, that is, 401½ South Myrtle Avenue, Monrovia 5981.

AROUND THE
TOWN

♦ Mr. and Mrs. Joe Bush, Mr. and Mrs. Robert Bettencourt and Dr. E. D. Gaylord attended the play "Barretts of Wimpole Street" recently at the Pasadena Playhouse. They reported it extremely well done.

♦ The Priscillas held their regular monthly meeting at the Hillcrest Banquet Room, where 25 members enjoyed a luncheon.

♦ Mr. and Mrs. Roy D. Klinker, 65 East Miramonte, were hosts to Mr. and Mrs. R. Floyd Marshall and Mrs. Eva Price of Huntington Park, recently.

♦ When the Bluebird eight-year-old group, sponsored by the Kiwanis, met recently, they packed boxes for Europe. Their leader is Mrs. A. Batterson.

♦ Mrs. Fanny Lacey and Miss Berta Lacey, formerly of 26 East Highland, moved to an apartment on Catalina St., Pasadena, recently.

♦ Mr. and Mrs. George L. Parr

GOOD ATTENDANCE
AT CUB SHOW FRIDAY

When the Cub Scouts met at the school Friday evening, they enjoyed an amateur magician show put on by Henry Brauman. Over 200 people witnessed the skits and magic tricks put on by the various Cub Dens. Refreshments were served by Den No. Two.

KANSAS PICNIC

The Kansas State Society will hold its annual mid-winter picnic celebrating Admission Day at Bixby Park, Long Beach, Sunday, January 25, 1948.

462 Mariposa, celebrated their fifth wedding anniversary recently with dinner at Newmans, San Gabriel Canyon.

J. HENRY FISHER BECOMES MEMBER OF S. M. POST
When the V.F.W. met at the City Hall last Wednesday evening, they took in a new member, John Henry Fisher, who transferred from a Long Beach post. They made plans for the Washington's Birthday dance to be held February 21.

MARRIED IN LONG BEACH, WILL LIVE IN SIERRA MADRE
The home of Dr. and Mrs. Claude Wagner of Long Beach was the scene of a quiet wedding ceremony January 5, when Helene K. Revo became the wife of Robert R. Minton, of Long Beach. Mrs. Revo has lived here with her mother, Mrs. Lottie T. Knapp for several years on West Grandview, lately moving to 663 Brookside Lane.

The bride's outfit consisted of a pale blue jersey dress with brown accessories. Rev. Nelson officiated, and Dr. and Mrs. Wagner attended the couple. Deft plans for their residence have not been made, and for the present they are living on Brookside Lane.

Saturday evening, a shower was given for Mrs. Minton by Mrs. Cleone Almgren and Bobbie Morrison, at the home of the latter, 501 East Montecito. The gift table was ornamented with white silk parasol strung with cellophane, and large blue bows. Twenty guests enjoyed buffet refreshments served from a table carrying out the shower theme with tiny blue and white umbrellas.

Books That Will Interest You In Public Library
Books follow the fashion as closely as a woman watches her skirt line. But now and then an original author ignores the best seller lists and writes for the sheer love of his art.

Such a book was the "Little Locksmith" by Katherine Butler Hathaway which came out a few years ago. It was labeled at the time as one of the finest books of the time. It still is. Now we have "The Journals and Letters of the Little Locksmith" edited by the author's brother and her publishers. This, too, is an extraordinary book.

We find Katherine Butler Hathaway not only the seeking, spiritual figure of the earlier work, but there is revealed a surprising worldliness. She certainly experienced exciting variations of life and recorded it all in her journals. Were these pages written only for her own eyes? No one will ever know. The "Journals" have been published since her death. Both books are in the public library.

Other books received are: Non-fiction: Frankly Speaking; Eyre; War as I Knew It; Patton; Peace or Anarchy; Meyer; Confessions of a Congressman; Voorhees; Reveries of an Outdoor Man; Wolf; Struggles for the world; Burnham; Back Home; Mauldin; Proper Bostonians; Amory; Cosmic Consciousness; Bucke; Unpopular Opinions; Sayers; Kingdom of Adventure; Ullman; Blue Ghost; Steichen; Handbook of old pottery and porcelain marks; Thorn; Fifty-one poems; Webb; Best Plays of 1946-47; Mantle; Jim Dandy (drama); Saroyan.

VFW AUXILIARY AUGMENTS RANKS AT RECENT SESSION

The V.F.W. Auxiliary announced they are planning a big membership drive to last through February 4. This will be the end of the charter membership period. Mrs. Virginia Smith is the chairman. They inducted three new members at their meeting in the City Hall last Wednesday evening: Mrs. Don Miller, Mrs. Catherine Miller, and Mrs. Betty Fisher. A report of the successful Christmas tree sale was given.

CONSTITUTION ADOPTED BY THE TEACHERS' CLUB

A constitution for the Teachers' Club was presented by Chairman Bradshaw at the regular monthly meeting January 13. It was altered and adopted. Joseph Moltane, publicity chairman, will represent the club at a dinner in Los Angeles at the Clark Hotel to honor Dr. Kilpatrick famous educator from Columbia University. The teachers voted to donate \$25 to the Home for Retired Teachers in Pasadena.

FROM MINNESOTA

Mrs. Thomas Noonan and daughters Deborah Ann and Victoria, of Alexandria, Minnesota, arrived last week to spend the winter in Sierra Madre. They have taken the Harry Price place, 472 North Grove. Mrs. Noonan is the niece of Mrs. Mary D. Goodfellow of this city.

HOUSE GUESTS AT MARIPOSA HOME

The home of Mrs. C. J. McCoy, 210 Mariposa, recently entertained Mrs. Marion Walz of Los Angeles, Mr. and Mrs. Fritz Ketten and family of Lindsey, and Mr. and Mrs. Glen Duhamel of Bemidji, Minnesota.

SISTER ARRIVES FOR THE WINTER FROM S. AMERICA

Mrs. G. Gregson Southworth arrived by plane last week from Rio de Janeiro for a visit with her sister, Mrs. Elmer W. Hertweck, 234 N. Lima. It was been 26 years since the sisters have seen one another, as Mrs. Southworth's husband is with a British firm and they have spent the past two decades in Rio.

The sisters are natives of England, Mrs. Hertweck passing her early life in Canada. In April Mrs. Southworth leaves for Canada, then on to Great Britain where she will join her husband and make a permanent home.

About two billion buttons a year are made from the shells of the fresh water mussels taken in the Mississippi valley region.

SOCIAL CLUB HAS A "GET TOGETHER"

The Eastern Star Social Club will hold a "get acquainted" party at the Masonic Temple, January 26 and members are urged to attend. Party chairman is Alene Welch; co-chairman, Patsy Haymaker; and hostesses: Helen Sandage, Phyllis Buchan, Marion Bischoff, Ehtel Henderson, Fiorella Lauber, Frances Brain and Amy Caldwell.

Woodrow Mecca and David Crane were elected to the Vestry for three years. Delegates elected to Convocation were James Pettit, Hall Perry, Bruno Tyron, Mrs. Otto G. Lord and Mrs. Woodrow Mecca. The first three mentioned above were named as delegates to the Diocesan Convention when the new Bishop will be elected in January. Clarence Borneman was appointed by the rector to succeed as Senior Vestryman and James Pettit was elected as Junior Warden.

Fr. Smith told of the new stained glass windows which were given by Gray Farrow in memory of his parents and by St. Vincent's Guild of Acolytes. Every organization of the church reported to be in excellent condition.

ASCENSION CHURCH GROUPS HOLD ANNUAL MEETING SUNDAY NIGHT

The Episcopal Church of the Ascension reviewed the work of the year at the Annual meeting Sunday evening. Fr. Smith, the rector, presided, and made a report to the congregation with plans outlined for the year ahead. He laid particular stress on the establishing of the Parochial School and its splendid work and promised that the fifth and sixth grades would be added next year and if feasible the seventh and eighth. The school has made a steady growth, the next semester will open February 1st.

The Frog

TALKS about ROBERTS MARKET
and things
From a boy
I gloated on existence, Earth to me
Seemed all-sufficient and my sojourn there
One trembling opportunity for joy.
—Alan Seeger.
(The author of the above was killed in action at the age of 28 in World War I.)

BY GOLLY, AND BY GEE! DESPITE ALL THAT I have been able to say, it looks as if price controls are likely to be with us again! It may be only a Frog's thin-skinned reaction but I think the new, New Dealers have got the GOP worried about votes and that the Republicans are resorting to a natural vote-getting recourse for the sake of holding their jobs.

NOW I BELIEVE THAT ELECTIVE, ADMINISTRATIVE OFFICERS should accept office in the spirit of a patriotic duty; that holding public office should not be a profession, but only a part of one's civic responsibility; and that tenure of office should be limited to say six years, so that it would not be necessary for any man ever to be forced to sacrifice his honest convictions for the sake of earning a livelihood!

LET US LOOK FOR A MOMENT AT SIERRA MADRE, one of the most desirable of all towns, anywhere: We have here a fine nucleus of men who have inherited the fearless ideals of progress which made this country what it is, and who will fight to preserve those ideals! And on request, I will give you their names. But putting them all together, they are not enough to finish the fight. They need your help!

PERHAPS PROVIDENCE DESIGNED CALIFORNIA to be the Utopia of the West. If so, let us require both sojourners and Native Sons to recognize their sense of responsibility. Perhaps then we can keep this place the most hospitable, liveable place on the face of the globe.

FRANTICALLY SPEAKING, THE WHOLE WORLD IS GROWING too big for its "britches"! As we now go, it is only a question of time—days, months or years—until we shall destroy ourselves with the very things which, if properly used, would enable us to achieve the maximum in health, wealth and comfort. Because of our intellectual and scientific development, we are rapidly becoming a nation of hypochondriacs and self-murderers.

FROM THE BEGINNING OF FRANKLIN AND EDISON, Freud and Einstein, we have grown too rapidly materially, and too slowly spiritually! SEE?

OF COURSE, FOOD IS MY BUSINESS, AND PROBABLY I can talk more intelligently about tomatoes, carrots, toilet paper, corned beef and T-Bone steaks; AND about quality, price and service! Yet these things mean little if they cannot be dispensed on the basis of sound moral and economic principles.

NO MAN CAN TRULY ENJOY THAT FOR WHICH he has not worked. He becomes self-respecting only by overcoming hardship. Without ohms of resistance in your electrical connection, there would be no light in the lamp which makes it possible for you to read your newspaper; and without resistance created by the nozzle at the end of a hose or at the head of a stream of water at the intake of a dam, there would be little power created by the stream!

WITHOUT RESISTANCE, MAN DOES NOT DEVELOP CHARACTER!

WHY, THEN SHOULD WE WANT THINGS GIVEN TO US without effort, thus sacrificing the fun of accomplishment and the character-building mechanisms which come from work?

PRICES ARE HIGH AND WAGES ARE HIGH! The rich grow richer and there are no poor! There is speculation in commodities, and you too, my friends, still hopefully play the horses; and what's the difference except that this particular form of gambling can arguably be referred to as legal!

MY, MY! HOW I TALK! VEGETABLES, MEATS, GROCERIES, I repeat: that's my business, not philosophy, economics, world affairs, and so forth! Well, I must say here that what this big, little store needs is a wall stretcher. It is too chock-full of the thousands of things we think we must carry in order to properly serve your needs. Have you a little "wall stretcher" in your home?

AS TO MY POLICY—that of the GREEN FROG, if you please—I will continue at all times to try to deal with my customers and my co-workers as I would be dealt with; and I will sell only the best that I can buy, and at as low a price as my staying here on the corner will permit—and all on the square! ISN'T THAT SIMPLE?

Your erudite, but nonetheless simple, Friend
The Green Frog
P. S. Say, MOM has a swell recipe for Pecan Pie! Ask for it at the checking stand.

Ansermet Conducts Amer. Premiere Performance of Strong and Martinu Works

Two American premiere per-
formances will be offered by Er-
nest Ansermet in his second con-
cert with the NBC Symphony Or-
chestra, Saturday, Templeton
Strong's "Paraphrase on a Choral
from Hassler, for Strings" and
Bohuslav Martinu's "Symphony
No. 5" are the works to be given.
Claude Debussy's "Jeux" will
also be played. Templeton Strong
born in the United States, was
formerly an oboist in the Chi-
cago and Boston Symphony Or-
chestras, and has spent most of
his adult life abroad, now resid-
ing in Switzerland. The 22-year-
old composer writes in the ro-
mantic style. Martinu's music
has been heard many times in
America, and the work to be
heard was completed in 1946 for
the 50th anniversary of the Czech
Philharmonic, and was written
in New York City.

Ansermet is of Swiss descent,
and is founder of the Orchestre
de la Suisse Romande. He has
paid high tribute to American
composers and has long been
championing new music. His
first appearance in America was
in 1916 with the Diaghilev Ballet
and Nijinsky.

Jacques Thibaud will be guest
violinist with the Philadelphia
Orchestra under the direction of
Alexander Hilsberg when they
broadcast from the Academy of
Music. He plays the Mozart "A
Major Concerto." The program
will open with Mendelssohn's "A
Major Symphony—the Italian."
The Arthur Fiedler Sinfonietta
will join E. Power Biggs, organ-
ist, in the seventh of a series of
Handel Concertos being offered
on this program. They offer his
Concerto in B Flat, No. 7. The
group will also play the "Pas-
sacaglia for Organ and Strings"
by Ellis B. Kohn, written espe-
cially for these broadcasts and
first performed in May, 1946.

THURSDAY, JANUARY 22
4:00-5:00 PM KFAC) Handel's
"Aldina Suite," Mozart's "C Ma-
jor Symphony," and Arensky's
"Variations on a Theme of Tcha-
kovsky."

(8:00-10:00 PM KFAC) Over-
ture to Nicolai's "Merry Wives
of Windsor," Beethoven's "Sym-
phony in C Major," and Mahler's
dynamic "Song of the Earth."

FRIDAY, JANUARY 23
(1:30-2:00 PM KECA) This will
be the premiere broadcast of an
interesting new feature, a half-
hour broadcast devoted to the
opera to be presented the follow-
ing day by the Metropolitan Op-
era. The listener will hear the
story of the work to be heard,
and members of the Met will
also be present for an interest-
ing musical discussion.

(8:00-10:00 PM KFAC) A com-
plete program of Bach is the
weekly concert feature, and the
Yella Pessl Harpsichord and In-
strumental Ensemble should
prove delightful listening for
lovers of Bach. The Roth String
Quartet will offer "Art of Fugue"
which has been translated by

Roy Harris and M. D. Herter
Norton.

SATURDAY, JANUARY 24
(11:00 AM-2:00 PM KECA)
Metropolitan Opera in direct
broadcast of complete score.
(2:00-3:00 PM KNX) Philadel-
phia Orchestra and Jacques Thi-
baud.

(3:30-4:30 PM KFI) Ernest An-
sermet and NBC Symphony Or-
chestra.
(4:00-5:00 PM KFAC) Denny's
"Overture for Strings," Dohna-
nyi's "Suite in F Sharp Minor,"
and "Ballabile" from Verdi's
"Aida."

(8:00-10:00 PM KFAC) "Lucia
di Lammermoor," a tragic opera
in three acts by Gaetano Doni-
zetti, as offered by the soloists,
chorus and orchestra of Turin
conducted by Ugo Tansini.

SUNDAY, JANUARY 25
(6:15-6:45 AM KNX) E. Power
Biggs, organist, and Arthur Fied-
ler, Sinfonietta.
(8:30-9:00 AM KNX) The Salt
Lake Tabernacle Choir and Organ
program is highlighted by sing-
ing selections from "Mendels-
sohn's 'Elijah'" and by Dr. Frank
Asper's playing of the Bach
"Fantasia in G Minor." There
will also be music of Lotti, Si-
belius, Cosletti and Stephens.

(12:00 noon-1:30 PM KNX)
Bruno Walter conducts the New
York Philharmonic Symphony in
Beethoven's "Symphony No. 4 in
E Flat Major," also Haydn's
"Symphony in C Minor," and
Wagner's "A Siegfried Idyll."

(4:00-5:00 PM KFAC) Liszt's
symphonic poem, "Les Preludes,"
Cesar Frank's "Trio in F Sharp
Minor" for violin, cello and pi-
ano, and Mendelssohn's "Sym-
phony in A Minor—Scotch" with
Jose Iturbi in the role of con-
ductor.

(8:30-9:30 PM KFI) The Stand-
ard Hour.

MONDAY, JANUARY 26
(4:00-5:00 PM KFAC) Grieg's
"A Minor Sonata" with Willem
Van den Burg, cellist, and Sara
Compinsky, pianist, Scherzo from
Mendelssohn's "A Midsummer
Night's Dream," and Prokofiev's
"Scheithan Suite."

(8:00-10:00 PM KFAC) Mozart's
"Jupiter Symphony in C Major,"
Sergei Rachmaninov, pianist,
plays his own "Concerto No. 1 in
F Sharp Minor," Debussy's "La
Mer The Sea"—three symphonic
sketches.

(9:00-9:30 PM KFI) Lily Pons.

KNOW YOUR NEIGHBOR

(Continued from page 1)

these mountains for twenty years. She cared for accident and even heat prostration cases when on one of the hottest days, 105 degrees, people unused to such weather were hiking the steep trails.

Hikers, she said, insisted on taking short-cuts on the trail leading to the stream-bed which winds back and forth, thereby wearing down the soil and when it rains landslides are caused which in turn cause serious accidents to people and animals in the pack trains. Mrs. Thompson said there were instances when she stopped smokers who hadn't even realized they were smoking and did not recognize cleared areas where smoking was permitted. People also throw rocks over the side of the trail endangering lives of those below, and she believes accidents of this type can be avoided if people use their heads. Money spent

in the areas is only when careless hikers and gangs are about. As a rule, were eager to go when she approached at the start of their hikes. They asked them to watch matches on the trails, and when they turned with dozens of matches, she has assisted with them at one time carrying a pound pack for many miles. A boy was injured, and she quite a feat as her weight is 88 pounds, and she is 5 feet, nine inches tall. She has been hiking with her father since early childhood. She has nothing more than the mountains during her life. She is also an able hiker. Her most dangerous hike was in the High Sierras, accompanied by one of the best hikers in the region. She was the first to climb a 12,500 foot peak off of the mountain. She will have a say in the future of the mountain.

She may hike for the rest of her life. She always leaves a trail of her whereabouts. She carries a supply of food, a first-aid kit, and a map, and says she can't get lost if you read one.

She received a letter from Thompson, Regional Supervisor of the California who said that the S. Forest Service is her co-operation in

ARTHUR J. WILL OBSERVES THE BRINK FAMILY

The public is becoming tax conscious. It is noted in the L. A. Times that the Brink family is back in Los Angeles after being given expense money of \$379.27 to return to their home state, Oklahoma. At one time the county was issuing relief checks of \$278 monthly to the family.

When Arthur J. Will, county charities superintendent learned the Oklahoma family had returned he declared, "For my money, they aren't going to get any more here. I have already put out an order that they are to get no aid in Los Angeles County."

Arthur J. Will is the next speaker in the tax seminar series scheduled for February 19th at the school auditorium.

MRS. ROSABEL JOHNSON PASSES AWAY WED., JAN. 21

The death of Mrs. Rosabel Johnson, aged 86, 328 N. Auburn, occurred yesterday. She had been a resident of this city for 24 years.

Services will be Saturday morning at 11 at Grant Chapel. Interment at Signal Hill cemetery.

helping to prevent man-caused fires. He also expressed the desire that she continue her good work in future fire seasons. William V. Mendenhall, a local man who is Supervisor of Angeles Forest, also wrote and thanked her for her hard and generous work and fine conservation efforts. Rangers in the Chantry Flats area said she did a wonderful job helping to prevent serious accidents and fires, and they would have never had time or patience to meet the hikers as she did. Even though she had wanted to be on a lookout tower, Mrs. Thompson has decided that for the present she can do a great deal of good in this work.

L. J. SAUTER TO ASSIST IN RECREATION

The Recreation Commission met at the City Hall, Thursday evening, and was presided over by the chairman, Mrs. J. Stadden Miller. They decided to hire Louis J. Sauter to act as assistant to Sam McElfresh for recreation Monday and Wednesday evenings.

This action was necessitated by additional numbers of young people taking advantage of the athletic games at the City Park Monday and Wednesday evenings.

RED CROSS

(Continued from page 1) and doubles champion of the United States. In 1926 she returned from Wimbledon with the ladies doubles championship, turned professional and toured in exhibition matches with the French tennis star, Suzanne Lenglen.

Imbued with the American conviction that the individual's capacity for achievement is unlimited, Miss Browne likes—now as then—Herculean tasks which challenge every capacity of mind and body. Her tremendous quota of energy and optimism has led her to master the techniques of piano and painting, to write books on tennis, to crusade for individualized sports in American schools and colleges.

Advertise in your home newspaper, it pays big dividends.

LEGAL NOTICE

Sierra Madre News

NOTICE OF SALE OF REAL

PROPERTY AT PUBLIC AUCTION.

(Sale No. 51A)

Office of the Tax Collector of the County of Los Angeles, State of California.

WHEREAS, the Board of Supervisors of the County of Los Angeles pursuant to the provisions of Division 1, Part 6, Chapter 7 of the Revenue and Taxation Code of the State of California, adopted a resolution approving the sale of property hereinafter described and

WHEREAS, there is filed in my office written authorization for said sale under the hand and seal of the State Controller, to sell said property:

THEREFORE, public notice is hereby given that unless the said property is redeemed or an installment plan of redemption is initiated as provided by law, I, H. L. Byram, Tax Collector

of the County of Los Angeles, will, commencing February 2, 1948, at the hour of nine o'clock A. M., and continuing from day to day in the office of the County Tax Collector, Third Floor, Hall of Justice, in the City of Los Angeles, offer for sale and sell at public auction to the highest bidder, the following described real property:

Parcel No. 222, Resub of Part of L. L. Ferry's Sub. 66.71 M. R. E. 304 of Lot 24. Assessed to Empire Securities Co. Minimum Bid, \$250.00 Location - Vicinity of Highland & Auburn Aves., Sierra Madre City.

Parcel No. 223, Resub of Part of L. L. Ferry's Sub. 66.71 M. R. E. 36.71 ft of Lot 24. Assessed to Empire Securities Co. Minimum Bid, \$310.00 Location - Vicinity of Highland & Auburn Aves., Sierra Madre City.

Parcel No. 659, Ocean View Tract Being a Sub of Pt Lot 23 Sierra Madre Tr. 36.8 M. R. E. 80 ft of Lot adj Lot 6 on S known as Lot 10. Assessed to Charles J. & Carrie D. Walker. Minimum bid, \$870.00. Location - Vicinity of Auburn & Mira Monte Aves., Sierra Madre City.

The foregoing described property is located in the County of Los Angeles, State of California. For information as to the amounts necessary to redeem or initiate an installment plan of redemption, provided the right to redeem has not previously been terminated, apply to H. L. Byram, County Tax Collector.

Third Floor, Hall of Justice, Los Angeles 12, California.

If redemption of the property or the initiation of an installment plan of redemption is not made according to law before the first bid is received, the right of redemption will cease.

NOTICE TO PROSPECTIVE PURCHASERS

PROSPECTIVE PURCHASERS ARE CAUTIONED THAT PROPERTY CONTAINED IN THIS NOTICE MAY BE ENCUMBERED WITH BONDS AND ASSESSMENTS WHICH MAY NOT BE DISCHARGEABLE BY TAX SALE. INFORMATION AS TO SUCH LIENS SHOULD BE OBTAINED FROM THE CITY TREASURER WHEREIN THE PROPERTY IS LOCATED

AND/OR FROM THE APPROPRIATE COUNTY, CITY OR DISTRICT OFFICE IN WHICH THE RECORDS OF SUCH LIENS ARE KEPT.

PROPERTY PURCHASED SHALL BE PAID FOR IN FULL WITH CASH AT TIME OF SALE. CASHIER'S CHECKS, CERTIFIED CHECKS, OR BANK MONEY ORDERS

WILL BE ACCEPTED IN LIEU OF CASH, PROVIDED THEY ARE MADE PAYABLE TO H. L. BYRAM, COUNTY TAX COLLECTOR.

Dated this 8th day of January, 1948.

H. L. BYRAM,
Tax Collector
Publish January 8, 15, 22, 1948.

WOMEN'S APPAREL SACRIFICE

This Entire Stock of Women's Apparel To Be Thrown On the Market . . . And Sold Completely Out . . . To the Women Buyers of This Community . . . At Terrific Mark-Downs . . . The Finest Apparel That We Could Procure . . . To Be Sold and Sacrificed at a Fraction of Its Value . . . Regardless of Loss.

QUITTING BUSINESS

Our Farewell SALE!

We have come to a momentous decision, namely . . . to go out of the Retail Business . . . Sell Out and Quit.

After careful thought and serious deliberation and taking into consideration the Great Loss That Must Be Incurred in Closing Out Our Stock and Winding Up This Business, we have decided that there is only one sensible, logical thing to do.

Place the entire stock on sale to the public AT VERY DRASTIC PRICE REDUCTIONS, at prices so low that the stock will sell and sell quickly. Let the loss be what it will.

We do not expect to realize one dollar profit in liquidating this business. In fact, we expect to shoulder a TERRIFIC LOSS for we realize that only ALMOST UNHEARD OF PRICE REDUCTIONS WILL SELL OUT THIS STOCK QUICKLY.
